## **Express Scripts is Proud to Support Armed Services YMCA Angels of the Battlefield Gala**

The military men and women who administer lifesaving medical treatment to our troops on the front lines were recently honored by the Armed Services YMCA (ASYMCA) at the 6<sup>th</sup> Annual Angels of the Battlefield Gala. These heroes, better known as, 'Angels of the Battlefield' are men and women who risk everything to provide aid, to be compassionate comrades and comforting brothers and sisters when our soldiers need it the most.

Express Scripts donated \$10,000 in support of the ASYMCA's Angels of the Battlefield Gala, held in Washington, D.C. on March 14, 2012. Employees in attendance from the TRICARE Pharmacy Division included Nancy Gilbride, vice president and general manager, Tom Nowakowski, senior director, program management; Tracy Egler, senior director, program development; Laura Marbs, director, project management; Nathan Seibel, director, financial analysis and Nick Jacobs, senior manager, client contract.

Ms. Gilbride remarked, "This gala highlights the bravery and extraordinary courage of these men and women who are on the front lines saving lives of our soldiers, with little or no regard for their own safety. We are proud to be a part of this event honoring these heroes."

The ASYMCA works with the military services to select corpsmen and medics from the Army, Marine Corps, Navy, Air Force, Coast Guard, Army National Guard, Army Reserve, Navy Reserve and Air Force Reserve to represent and receive awards on behalf of their fellow corpsmen and medics for their dedication and commitment to service.

The Angels of the Battlefield Gala is a fundraiser for free and low cost military family programs of the ASYMCA, with thirty-three branches and affiliates nationwide. To learn more, please visit [www.asymca.org](http://www.asymca.org).
