

## The 2012 Fisher House Gala

Express Scripts recently donated \$4,500 to The Fisher House for their event, A Salute to the Fisher House Gala, held on November 9<sup>th</sup> in San Antonio.

The Fisher House foundation is a non-profit organization that provides a place or “a home away from home” for families to stay while their seriously ill or injured family members are receiving medical care at major military and VA medical centers. The program serves more than 17,000 families annually, logging over four million days of lodging to family members since the program was established in 1990.

The night started with a cocktail reception followed by dinner and program. Television personality, radio talk show host and actor, Montel Williams was the Master of Ceremonies, while guests enjoyed entertainment provided by American country music artist, Rodney Atkins. Express Scripts attendees included Lisa Le Gette, director, Client Operations together with her husband, Chris, and Lee Toth, senior operations manager joined by her husband Brad. Lee stated, “The event was really inspiring and delightful in all ways. It was so heartwarming and humbling to see and interact with the Wounded Warriors and their heroic families. At this time of year it’s a reminder of all I have to be grateful for in my life.”
