Gold Star Wives of America is a national service organization, founded in 1945 and chartered by the United States Congress in 1980. GSW's primary mission is to provide service, support and friendship to the widows and widowers of military personnel who died on active duty or as the result of a service connected cause.

Members assist widows and widowers in understanding and obtaining the benefits provided by Congress, as well as working to improve and enhance the benefits widows and widowers receive. GSW networks with other Veterans Service Organizations, the Department of Defense and the Department of Veterans Affairs toward this goal.

Members also volunteer at Department of Veterans Affairs' events, military hospitals, and in local communities. GSW members participate in the national memorial services on Memorial Day weekend and Veterans Day. They also participate in many other smaller memorial services at various locations throughout the year. To learn more visit <http://www.goldstarwives.org/>.
