

## TRICARE Beneficiaries Being Targeted for Unsolicited Cancer Screening Kits

The Defense Health Agency, Office of Program Integrity (DHA-PI) and Express Scripts have received a significant number of concerns from our TRICARE beneficiaries regarding unsolicited attempts by “Call Centers” to encourage them to provide personal identifying information and health information so that they can allegedly provide cancer screening kits to the TRICARE beneficiary.

TRICARE and its contractors never call and ask for personal identifying information or health information. Beneficiaries should be wary of unsolicited attempts by any entity asking them for personal or health information, either by phone or in person.

If you receive phone calls from someone identifying themselves as a TRICARE representative asking for personal information over the phone, DO NOT provide any information. Also, please immediately report the incident to Express Scripts Fraud Tip Hotline: 866.759.6139 or email: [TRICAREfraudtip@express-scripts.com](mailto:TRICAREfraudtip@express-scripts.com).
