Need help choosing the plan that's right for you?

We're here to guide you. Our **Express Scripts Medicare Advisors** can explain how Part D coverage works and help you select which of our plans has the lowest overall cost for you.

Selecting a prescription plan is easier when you know what to look for, and **Express Scripts Medicare** has it all:

Coverage

Look for a plan that covers your drugs.

- Express Scripts Medicare has a broad list of brand and generic drugs that includes those most commonly prescribed for Medicare members
- If your drug isn't covered, our pharmacists can suggest alternatives that you and your doctor can consider

Convenience

Make sure your pharmacy is in the plan's network or, even better, that there's a preferred pharmacy near you.

- Choose from our 67,000+ network pharmacies and enjoy lower prices at 30,000+ preferred pharmacies, including Walgreens and many independent pharmacies*
- Get the drugs you take regularly delivered right to your door with free standard shipping from the Express Scripts Pharmacy (included as part of your plan)*
- Use the Express Scripts mobile app on your phone or tablet to view your member ID card, keep track of your medicines, locate a pharmacy on the go and more

Care and service

Experience the value of having knowledgeable, caring people to support you. As an Express Scripts Medicare member, you'll have 24/7 access to:

- Specially trained advisors who can help you understand your plan benefits to make the right choices that best meet your needs
- Pharmacists who can answer questions about all your medicines – even in the middle of the night

Express Scripts Medicare has the right plan for you, whatever medicines you need.
