Your Cost-share

TRS-ActiveCare Primary+ has copays and coinsurance. You pay the lowest copay for generic drugs. **Your plan also includes SaveOnSP medications with $0 copays.**

Rx Deductible

Each plan year (September–August), each covered person in your family will pay the first $200 for brand-name drugs. After you meet your annual $200 deductible, you are responsible for the cost-share listed in the chart above.

Ex: Pref. Brand drug cost $800; you pay $200 DED + 25% coinsurance up to max of $100
Retail 31 day: $200 DED + 25% or $100 max = $300 first fill, then 25% up to a $100 maximum per fill thereafter

However, if you choose a brand-name drug with a generic alternative, you must pay the difference between the cost of the brand-name drug and the generic drug, plus the applicable generic copay. This difference does not count toward your annual deductible.

Maximum Out of Pocket (MOOP)

$6,900 per Person
$13,800 per Family
Your MOOP is shared with your medical plan. Your prescription deductible and cost-shares apply toward your MOOP.
