Your Cost-share

TRRS-ActiveCare Primary has copays and coinsurance. You pay the lowest copay for generic drugs. **Your plan also includes certain preventive generic and SaveOnSP medications with \$0 copays.**

Deductible

Each plan year (September–August), each covered person in your family will pay the first \$2,500 in medical and brand name drug costs, not to exceed \$5,000 per family. After you meet your annual deductible, you are responsible for the cost-share listed in the chart above.

However, if you choose a brand name drug with a generic alternative, you must pay the difference between the cost of the brand name drug and the generic drug, plus the applicable generic copay. This difference does not count toward your annual deductible.

Maximum Out of Pocket (MOOP)

\$8,050 per Person
\$16,100 per Family

Your MOOP is shared with your medical plan. Your deductible and cost-shares apply toward your MOOP.
