### Filling your Maintenance Medications

You have a choice when it comes to filling your maintenance medications (those prescription drugs you take regularly to treat ongoing conditions). Through Express Scripts home delivery pharmacy we deliver up to a 90-day supply to you with free standard shipping. You may also visit your local pharmacy to fill maintenance medications up to a 90-day supply.

### Saving with Generics

FDA-approved generics are as safe and effective as their brand-name counterparts. If you're taking a brand-name drug, talk to your doctor and ask whether a less expensive generic drug could treat your condition. If your doctor agrees, ask your doctor to write a new prescription for the generic that you can fill through your prescription benefit.
