The following is a list of the most commonly prescribed drugs. It represents an abbreviated version of the preferred drug list (formulary) that is at the core of your prescription-drug benefit plan. The list is not all-inclusive and does not guarantee coverage. In addition to using this list, you are encouraged to ask your doctor to prescribe generic drugs whenever appropriate.

**PLEASE NOTE:** Preferred brand-name drugs may move to nonpreferred status if a generic version becomes available during the year. For specific questions about your coverage, please call the Express Scripts phone number printed on your member ID card.
