

Your prescription co-payments at a glance

Show this to your doctor and discuss ways to pay less for your medications.

If you need a long-term medication, you may pay less over time by using the **Medco Pharmacy®** mail-order service, now a part of the Express Scripts family of pharmacies. We'll deliver up to a 90-day supply right to you—and **standard shipping is free**. Take the enclosed mail-order form to your doctor and ask if a 90-day prescription would be right for you. Your doctor can also fax your prescription to Express Scripts by calling 888.327.9791 for faxing instructions. To learn more about your benefit, log in to Express-Scripts.com and select "Benefit highlights" from the left-hand menu.

	At a retail pharmacy	Through the <i>Medco Pharmacy</i>
Generic drugs	\$10 30-day supply	\$25 90-day supply
Preferred brand-name drugs	\$25 30-day supply	\$62.50 90-day supply
Nonpreferred brand-name drugs	\$50 30-day supply	\$125 90-day supply

Note: If you fill a prescription for a brand-name medication when a generic equivalent is available, you will **pay the applicable co-payment, plus the difference in cost** between the brand and the generic.

Drug conversion programs at mail

If you are prescribed a drug that is not on your health plan's preferred list, yet an alternative plan-preferred drug exists, we may contact your doctor to ask whether that drug would be appropriate for you. If your doctor agrees to use a plan-preferred drug, you will usually pay less.
