

2026 Teacher Retirement System of Texas Preferred Drug List Exclusions

The excluded medications shown below are not covered on the Teacher Retirement System of Texas drug list. In most cases, if you fill a prescription for one of these medications, you will pay the full retail price.

Take action to avoid paying full price. If you're currently using one of the excluded medications, please ask your doctor to consider writing you a new prescription for one of the following preferred alternatives. Additional covered alternatives may be available. Costs for covered alternatives may vary. Log on to express-scripts.com/covered to compare medication prices. Not all the medications listed are covered by all prescription plans; check your benefit materials for the specific medications covered and the copays for your plan. For specific questions about your coverage, please call the number on your member ID card.

^ Multisource brand exclusion – The generic equivalent of this brand-name medication is covered under your plan. FDA-approved generic medications meet strict standards and contain the same active ingredients as their corresponding brand-name medications, although they may have a different appearance. As new generic medications become available, additional multisource brand products may become excluded.

Continuation of Therapy applies through June 30, 2026; Excluded for all utilizers effective July 1, 2026.

~ Pending generic availability
