This list represents branded generics in all capital letters and generic products in all lowercase.

This list provides examples of commonly prescribed preventive medications. It is not an all-inclusive list; but many examples of medications in each category are listed. Coverage prior to the deductible being met may not be provided for every strength or dosage form of a listed medication.

Express Scripts® Pharmacy Benefit Services manages your prescription benefit for your employer, plan sponsor, or health plan. For specific questions on coverage, please call the phone number on your member ID card or visit our website express-scripts.com.
