

Pharmacist Resource Center User Guide

Purpose:

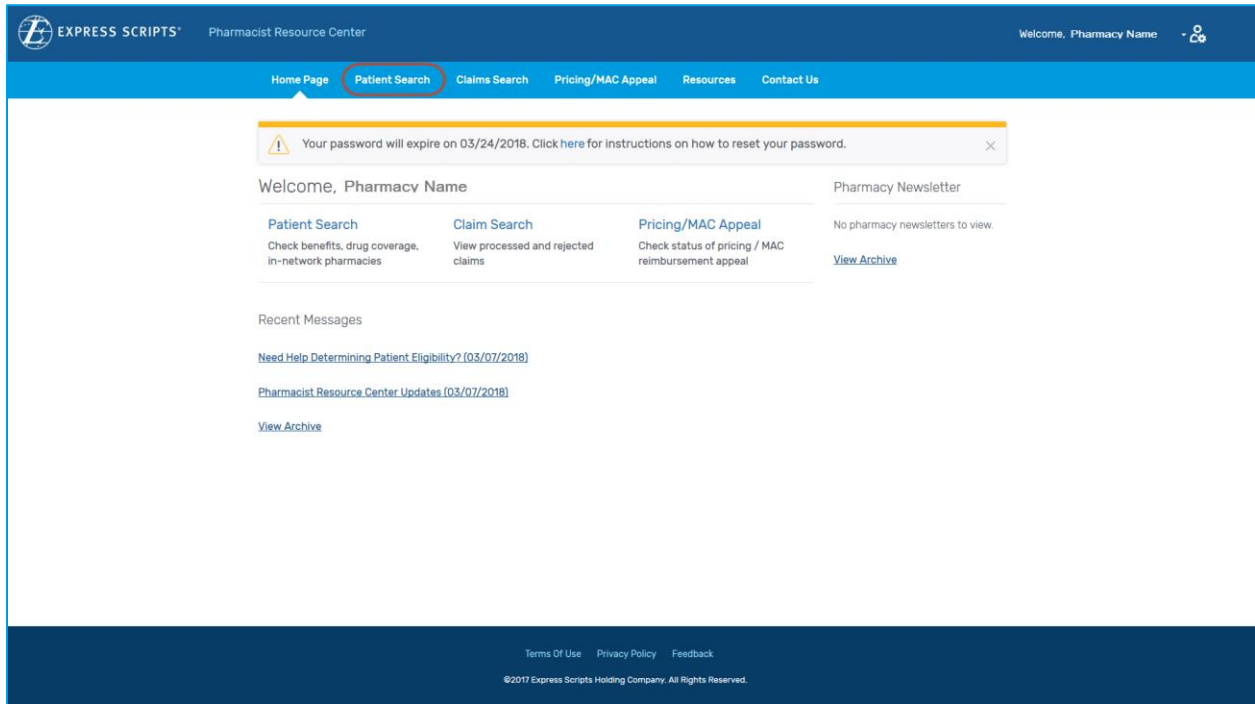

This document is a step-by-step instruction guide for accessing the Pharmacist Resource Center functions. The Pharmacist Resource Center is an online tool that allows you to determine member eligibility and plan benefits.

Table of Contents

How do I determine member/enrollee eligibility?	2
How do I look up Drug Coverage and Pricing?	4
How do I look up a Paid and Rejected claims?.....	6
How do I submit a claim too old override request?	8

How do I determine member/enrollee eligibility?

- Select the “Patient Search” link from the “Tools” section.

- You have the option to complete a Cardholder ID search or search by the patient name.
- Cardholder ID Search: Enter the cardholder ID (as printed on the member’s prescription card.).
- Patient’s Name Search, Enter:
 - Last Name
 - First Name
 - Date of Birth (MM-DD-YYYY)
 - Zip code
- Note: the submit button will not be enabled until all information is entered.

Terms Of Use Privacy Policy Feedback

©2017 Express Scripts Holding Company. All Rights Reserved.

- After successfully entering the search criteria, you will be able to view all details about eligibility status and benefits for the patient.
- The relationship field will indicate the relationship of the patient (i.e., member, spouse, child, etc.).
- The person code field will indicate the person code of the patient (i.e., 001 = member, 002 = spouse, 003 = child, etc.).
- The Benefits Overview section provides coverage details for the patient. It indicates if your pharmacy is a participating pharmacy, the refill-too-soon override codes approved by the patient’s group, the patient’s deductible and much more.

Coordination of Benefits:

eCOB:

- Yes. This benefit does permit electronic COB claims.
- For further information on eCOB or an explanation on the reimbursement of a claim, please contact Pharmacy Services.

Member Submit COB:

- If this plan is the patient's secondary benefit, retail card claims will reject at the pharmacy.
- The COB benefit applies to retail card claims, member submitted paper claims, and mail order claims.
- For further information on Member Submit COB or for an explanation on the reimbursement of a claim, the member should call the Member Service phone number on the back of the card.

Important Coverage Messages

Brand

Your plan provides coverage for ZOCOR 10MG with certain quantity limits. Additional quantities can be obtained by paying an additional co-payment. The maximum quantity covered for each co-payment is 30 tablets.

Your plan provides coverage for this medication in certain situations. For additional information, please contact the toll-free Member Services number located on your ID card.

This medication is covered under your plan; however, it is a non-preferred product.

Please note that if this medication were filled today, the dispensing quantity may be limited.

Generic

Your plan provides coverage for ZOCOR 10MG with certain quantity limits. Additional quantities can be obtained by paying an additional co-payment. The maximum quantity covered for each co-payment is 30 tablets.

Your plan provides coverage for this medication in certain situations. For additional information, please contact the toll-free Member Services number located on your ID card.

Please note that if this medication were filled today, the dispensing quantity may be limited.

This information is intended to serve as a general overview of the plan sponsor's prescription benefit program. Please note that the coverage and pricing terms of this or any prescription benefit are subject to change. Please consult the plan sponsor for complete information. Note that individual retail pricing may vary and pricing may vary while patient resides in a long term care facility.

How do I look up Paid and Rejected claims?

- In the left hand navigation menu, click on the link “Rejected claim inquiry”, “Processed Claim Inquiry” or “Claim Search” (if on new version of web page.).
- You will see a list of claims that processed today.

How do I submit a Claim Too Old override request?

- Submit the appropriate Delay Reason Code in field 357-NV.
- While Express Scripts accepts values 1, 2, 7, 8, 9 and 10, some plans MAY not support all of the codes.
- If the claim continues to reject for NCPDP reject 81 “Claim Too Old”:
 - In the left hand navigation menu select “Contact the Help Desk or Contact Us” under the “Tools” section.
 - Click the link, “Claim Too Old/Reversal Request form” and the form will be displayed.
