# Annual Notice of Changes 2026

**HealthSelect<sup>SM</sup> Medicare Rx Prescription Drug Plan (PDP) provided through the Employees Retirement System of Texas (ERS)**

**You are currently enrolled in the HealthSelect Medicare Rx PDP provided through the Employees Retirement System of Texas (ERS).**

Effective January 1, 2026, there will be some changes to the Plan's costs and benefits. Please see page 8 for a Summary of Important Costs. This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located on our website at **HSMedicareRx.com**. You may also call Customer Service at **(866) 264-4676 (TTY: (800) 716-3231)** to ask us to mail you an *Evidence of Coverage* document.

**Members enrolled in HealthSelect Medicare Rx PDP can make plan changes at times designated by ERS.**

## What to do now

### 1. Ask: Which changes apply to you

- Check the changes to our benefits and costs to see if or how they affect you.**
  - Review the changes to our drug coverage, including authorization requirements and costs.
  - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2026 Formulary (List of Covered Drugs) to make sure the drugs you currently take are still covered.**
  - Will my drugs be covered?
  - Are my drugs in a different tier, with different cost sharing?
  - Do any of my drugs have new restrictions, such as needing approval from **Express Scripts Medicare<sup>®</sup> (PDP)** before filling my prescription?
  - Can I keep using the same pharmacies? Are there changes to the cost of using this pharmacy?

Questions? Call Customer Service at **(866) 264-4676 (TTY: (800) 716-3231)**, 24 hours a day, seven days a week.

- Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs. To get additional information on drug prices visit **HSMedicareRx.com** and click the “**Price a Medication**” link at the top of the page. Keep in mind that your plan benefits will determine exactly how much your drug costs may change.

## 2. Choose: Decide whether you want to change your plan

- If you want to keep HealthSelect Medicare Rx PDP, you don't need to do anything. You will stay in HealthSelect Medicare Rx PDP.
- You can decline the HealthSelect Medicare Rx PDP plan at any time. Contact ERS if you decide to decline coverage. Please note that you will not have any prescription drug coverage available through ERS if you decline the HealthSelect Medicare Rx PDP plan. If you decide to re-enroll in the HealthSelect Medicare Rx PDP plan at a later date contact ERS. If you decide to enroll later, your coverage will not become effective right away.

**Please note: If you decline HealthSelect Medicare Rx PDP and are currently enrolled in a Medicare Advantage Plan offered through ERS, enrolling in another Medicare Part D prescription drug plan will result in your losing eligibility for your Medicare Advantage coverage with ERS. You would then be placed in the HealthSelect of Texas Secondary plan, but you will NOT have any other prescription drug coverage through ERS.**

## SECTION 1 Changes to Benefits and Costs for Next Year

### Section 1.1 – Changes to the Monthly Premium

Please contact ERS for more information about the premium amount for this plan.

- ERS has elected to pay for your late enrollment penalty while you are a member of this plan. However, if you join another plan your late enrollment penalty may not be covered and you may be responsible for paying your late enrollment penalty.
- Some members may be required to pay an extra charge, known as the Income-Related Monthly Adjustment Amount (IRMAA). If you are required to pay an extra charge, the Social Security Administration will notify you, and this amount will be withheld from the benefit check you receive from the government. Not paying IRMAA can cause you to be disenrolled from your medical and prescription drug plan.
- If you pay a monthly premium and you are receiving Extra Help, you may receive assistance paying for your premium. Please see **Section 6** regarding Extra Help from Medicare.
- For more information about the above topics, please reference your *Evidence of Coverage* document, available on the Plan website at **HSMedicareRx.com**.

### Section 1.2 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies. Please visit our website at **HSMedicareRx.com** or call Express Scripts Medicare Customer Service at **(866) 264-4676 (TTY: (800) 716-3231)** for more information.

There are changes to our network of pharmacies for next year. However, the majority of pharmacies that participate in our network in 2025 will continue to participate in 2026. **Please review the 2026 Pharmacy Directory to see which pharmacies are in our network.** You can access information about what pharmacies are in our network by logging into **HSMedicareRx.com** or by calling Customer Service at **(866) 264-4676 (TTY: (800) 716-3231)**. You can also ask us to mail you a *Pharmacy Directory*.

An updated *Pharmacy Directory* is located on our website at **HSMedicareRx.com**. You may also call Customer Service for updated pharmacy information or to ask us to mail you a *Pharmacy Directory*.

It is important that you know that we may make changes to the pharmacies that are part of your plan during the year. If a mid-year change in our pharmacies affects you, please contact

### Section 1.3 – Changes to Part D Prescription Drug Coverage

#### Changes to Our drug list

Our list of covered drugs is called a *Formulary*. We also refer to it as a drug list. A PDF of our printed drug list for 2026 will be available beginning on October 27, 2025 under “**Resources**” in the top menu at **HSMedicareRx.com**. You can also get the complete drug list by calling Customer Service at **(866) 264-4676 (TTY: (800) 716-3231)** or visiting our website (**HSMedicareRx.com**) to look up which drugs will be covered by your plan.

We made changes to our drug list, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the drug list to make sure your drugs will be covered next plan year and to see if there will be any restrictions or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the drug list are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the Food and Drug Administration (FDA) or withdrawn from the market by a product manufacturer. We update our online drug list to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review **Chapter 3** of your *Evidence of Coverage* and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

We may immediately remove brand-name drugs or original biological products on our drug list if we replace them with new generics or certain biosimilar versions of the brand-name drug or original biological product on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding a new version, we can decide to keep the brand-name drug or original biological product on our drug list but immediately move it to a higher cost-sharing tier or add new restrictions or both.

For example: If you take a brand-name drug or biological product that's being replaced by a generic or biosimilar version, you may not get notice of the change 30 days in advance or before you get a month's supply of the brand-name drug or biological product. You might get information on the specific change after the change is already made.

Some of these drug types may be new to you. For definitions of drug types, go to **Chapter 10** of your *Evidence of Coverage*. The FDA also provides consumer information on drugs. Go to the FDA website: [www.FDA.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients](http://www.FDA.gov/drugs/biosimilars/multimedia-education-materials-biosimilars#For%20Patients). You may also contact Customer Service at **(866) 264-4676 (TTY: (800) 716-3231)** or ask your health care provider, prescriber, or pharmacist for more information.

---

Questions? Call Customer Service at **(866) 264-4676 (TTY: (800) 716-3231)**, 24 hours a day, seven days a week.

## Changes to Your Prescription Drug Costs

**Note:** If you are in a program that helps pay for your drugs (Extra Help), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs* (also called the Low Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive Extra Help you will receive a LIS Rider. If you don't receive it, please call Customer Service at **(866) 264-4676 (TTY: (800) 716-3231)** and ask for the LIS Rider to be sent to you.

There are three drug payment stages: The Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage.

Beginning January 1, 2026, there will be a \$2,100 maximum out-of-pocket cost for your covered Part D drugs. Once you have paid \$2,100 in out-of-pocket costs, you move into the Catastrophic Coverage stage, during which you pay nothing for covered Part D drugs. Your plan covers additional drugs not normally covered by Medicare. You may have a cost share for such drugs covered under our enhanced benefit.

The Coverage Gap Stage and the Coverage Gap Discount Program no longer exist in the Part D benefit. The Coverage Gap Discount Program has been replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of the plan's full cost for covered Part D brand-name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program do not count toward out-of-pocket costs.

How much you pay for a drug depends on which "tier" the drug is in. The costs in this chart are for prescriptions filled at network pharmacies. The changes shown will take effect on January 1, 2026 and will stay the same for the entire calendar year. Generally, we cover drugs filled at an out-of-network pharmacy only when you are not able to use a network pharmacy. There may be restrictions for prescriptions filled at out-of-network pharmacies, such as a limit on the amount of the drug you can receive.

## Changes to the Deductible Stage – None for 2026

### Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your Part D drug coverage to help you manage your out-of-pocket drug costs. This payment option spreads your drug costs across monthly payments that change throughout the remainder of the plan year (January – December). All members are eligible to participate in this payment option, regardless of income level. All Medicare Part D drug plans must offer this payment option. Express Scripts

Questions? Call Customer Service at **(866) 264-4676** (**TTY: (800) 716-3231**), 24 hours a day, seven days a week.

Medicare is partnering with Paytient to administer the Medicare Prescription Payment Plan. Paytient is responsible for managing the billing and payments for this payment option.

If you elect to join the Medicare Prescription Payment Plan, please be aware that your monthly payment will vary depending on what month you elect into the program and your monthly out-of-pocket costs. Your first month will be calculated differently than your remaining months of the year. Even if this payment option might help you manage your expenses, it doesn't save you money or lower your drug costs. Extra Help from Medicare and help from your State Pharmaceutical Assistance Program (SPAP) and AIDS Drug Assistance Program (ADAP) are programs that can lower cost shares for those who qualify. To contact the SPAP or ADAP program(s) that may be available in your state, please see the Appendix listed in the *Evidence of Coverage*.

For detailed examples of how to calculate what your payments might be, visit one of these online resources: [www.medicare.gov/prescription-payment-plan](http://www.medicare.gov/prescription-payment-plan) or [www.express-scripts.com/mppp](http://www.express-scripts.com/mppp).

## SECTION 3 Deciding Which Plan to Choose

### Section 3.1 – If You Want to Stay in HealthSelect Medicare Rx PDP

**To stay in our plan, you don't need to do anything.** If you do not decline the HealthSelect Medicare Rx PDP or sign up for a private plan, you will automatically stay enrolled for 2026.

### Section 3.2 – If You Want to Enroll in Another Plan

You must be enrolled in HealthSelect<sup>SM</sup> Medicare Advantage or HealthSelect<sup>SM</sup> Secondary to be eligible for the HealthSelect Medicare Rx plan.

If you enroll in another group or individual Medicare plan while enrolled in the HealthSelect<sup>SM</sup> Medicare Advantage plan and HealthSelect Medicare Rx plan, you will be re-enrolled in your last non-Medicare Advantage plan with ERS and may not be eligible for prescription drug coverage through the Texas Employees Group Benefits Program.

**Please Note: You cannot be enrolled in a separate Part D plan and HealthSelect Medicare Rx PDP at the same time.**

- Depending on the type of plan you choose, you will automatically be disenrolled from HealthSelect Medicare Rx PDP if you join a Medicare HMO or Medicare PPO, even if that plan does not include prescription drug coverage.
- If you choose a private Fee-for-Service plan without Part D drug coverage, a Medicare Medical Saving Account Plan, or a Medicare Cost Plan, you can enroll in that new plan and

Questions? Call Customer Service at **(866) 264-4676 (TTY: (800) 716-3231)**, 24 hours a day, seven days a week.

keep HealthSelect Medicare Rx PDP for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from HealthSelect Medicare Rx PDP.

**Please note: If you make any changes, you may lose both your medical and prescription drug benefits. If you are currently enrolled in a Medicare Advantage Plan offered through ERS and enroll in another Medicare Part D prescription drug plan, you will lose your Medicare Advantage coverage with ERS and be placed in HealthSelect<sup>SM</sup> Secondary for secondary medical coverage. You may decline HealthSelect Medicare Rx PDP, but you will NOT have any other prescription drug coverage through ERS.**

## SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. It is a state program that gets money from the federal government to give free local health insurance counseling to people with Medicare. State Health Insurance Assistance Program counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can find your SHIP number and address in **Chapter 2, Section 3** of the *Evidence of Coverage*.

## SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including monthly prescription drug plan premiums, yearly deductibles, and coinsurance. Additionally, those who qualify will not have a late enrollment penalty. To see if you qualify, call:
  - (800) MEDICARE ((800) 633-4227). TTY users should call (877) 486-2048, 24 hours a day, seven days a week;

Questions? Call Customer Service at (866) 264-4676 (TTY: (800) 716-3231), 24 hours a day, seven days a week.

- The Social Security Office at (800) 772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call (800) 325-0778; or
- Your State Medicaid Office.
- **Help from your state's pharmaceutical assistance program.** State Pharmaceutical Assistance Program helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible people living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your state, you must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D drugs that are also covered by ADAP qualify for prescription cost-sharing help through your state. For information on eligibility criteria, covered drugs, how to enroll in the program, or if you are currently enrolled, how to continue receiving assistance, check with your state AIDS Drug Assistance Program. Be sure, when contacting your state's ADAP organization, to inform them of your Medicare Part D plan name or policy number.
