

The excluded medications shown below are not covered on the Express Scripts drug list. If you're currently using one of the excluded medications, please ask your doctor to consider writing you a new prescription for one of the following preferred alternatives. Additional covered alternatives may be available. Costs for covered alternatives may vary. Log on to [express-scripts.com/covered](https://www.express-scripts.com/covered) to compare drug prices. Not all the drugs listed are covered by all prescription plans; check your benefit materials for the specific drugs covered and the copayments for your plan. For specific questions about your coverage, please call the number on your member ID card. If there is a clinical reason, identified by your doctor, that requires you to continue taking your current medication, your doctor can request a coverage review by visiting the Express Scripts online portal at esrx.com/PA.

Express Scripts manages your prescription plan for your employer, plan sponsor, health plan or benefit fund. These excluded medications do not apply to Medicare plans.
